Dear Santa,

Stamping is something I love to do,
So I'm making a special Christmas list for you.
Pick one, two, three or more
stamping supplies I've been wishing for!

Clothes are nice, and toys are, too,
But is going to the mall something you want to do?
Save yourself the time you'd spend looking around
For the **perfect presents that I've already found**!

I've been extra special and nice this year,
So I'd really like some stamping gear.
Just contact Angie to order from my list.
I really hope you are getting the gist!

Just for receiving an order from you,
She'll add in a **FREE stocking stuffer**, too!
And, if the items you buy are more $150,
I'll get $25 more supplies free, isn't that nifty?

When the goodies arrive at her house for me,
She'll wrap them up pretty as can be.
She'll get them to you, special delivery
All you do is slip them under the tree!

It will be so easy to just stay at home,
and place an order by email or phone.
No traffic, no headaches, no awful foot cramps,
Just sit back, relax...and **order me STAMPS**!

With love,

PS: If you're still not sure what you should get,
Why not order me a Stampin' Up! gift certificate?
