4. Stamp the vintage leaves in various colors on the white cardstock piece and adhere to front of book, leaving the stapled edge uncovered.
5. Stamp "Just a Note" from Picture Perfect in Tip Top Taupe on the Crushed Curry banner. Adhere to front of leaf background.
6. Stamp the "notes" inside with sentiments from the Picture Perfect set.
7. Adhere a velcro dot to underside of label flap to keep book closed.
8. Add white Perfect Accent to front edge of label flap
