## Measurements:

Pacific Point: 8-1/2" x 5-1/2"

Old Olive: 4" x 5-1/4"

Basic Gray: 3-3/4" x 2-1/2" and 2-7/8" x 1-5/8"

Whisper White: 2-3/4" x 1-1/2" and 2-1/2" x 2-1/2"

Pumpkin Pie: (2) 1" x 3/8"

Silver Glimmer Paper: approx. 3" x 3"

## Instructions:

1. Stamp the Magical Day sparkle image on 4" x 5-1/4" Old Olive card stock in Old Olive ink and then adhere card stock to Pacific Point card base.
2. Run 3-3/4" x 2-1/2" and 2-7/8" x 1-5/8" Basic Gray pieces of card stock through the Brick Wall Embossing Folder. Make a banner cut in one end of the largest piece and adhere to the Old Olive card front.
3. Stamp your Magical Day sentiment on the 2-3/4" x 1-1/2" Whisper White card stock and adhere it to the small Basic Gray piece.

4. Flag one end of both 1" x 3/8" Pumpkin Pie card stock strips. Attach one to the backside of the sentiment, then attach the sentiment to front of the card with Dimensionals.
5. Die-cut a scallop 3" x 3" scallop square in the Silver Glimmer Paper.
6. Adhere the other Pumpkin Pie flag to the backside of the Glimmer Paper.
7. Add some Fast Fuse on the back of the Glimmer Paper. Loop some Silver Metallic Thread around your fingers, twist into a "figure 8" shape and add in messy loops to the back. When that's done then attach it to the front of the card using Tear & Tape.
8. Stamp the Magical Day dragon in Memento Black ink and then color with Stampin' Blends. Finish that piece with stamping the sparkle stamp in Pumpkin Pie.
9. Attach the stamped dragon on top of the Glimmer Paper with Dimensionals.
