Measurements:

Thick Whisper White: 4¼" x 11"

Whisper White: 3 ½" x 5 ½"

Shaded Spruce: 1/8" x 5 ½"

Tropical Escape DSP: 1" x 5 ½"

Instructions:

1. Adhere the 1" x 5-1/2" piece of Tropical Escape DSP to the left side of the Whisper White Thick card base.
2. Use the Stamparatus to "hinge stamp" the Beautiful Day birthday greeting onto the 3 ½" x 5 ½" Whisper White panel. Place your cardstock in the right corner of the Stamparatus and position your stamp at the top of the panel. Ink first With Granny Apple Green, move the plate down to the next hinge and stamp in Blushing Bride and then Granny Apple and so forth. Or you can do hinge 1-3-5 in Granny Apple, clean and do Hinge 2 & 4 in Blushing Bride. Attach to panel to card overlapping the DSP using SNAIL adhesive.
3. Add a 1/8" x 5-1/2" strip of Shaded Spruce cardstock using Multipurpose Glue.
4. Die-cut two Shaded Spruce Ferns with the Tropical Framelits and attach to card with Multipurpose Glue.

5. Stamp the two Tropical Chic leaves in Granny Apple Green and the flower in Blushing Bride onto Whisper White cardstock. Cut out all images using the Tropical Framelits.
6. Adhere the smaller leaf with Multipurpose Glue. Pop up the bigger leaf and flower with Dimensionals.
7. Add Rhinestone to the center of the Flower.
