Measurements:

Granny Apple Green Cardstock- 4 ¼" x 11", score @ 5 ½"

Whisper White Cardstock- 4" x 5 ¼", and 4" x 4" scrap

Instructions:

1. Sponge Blushing Bride ink into a blended circle on a 4" x 5 ¼" Whisper White Cardstock piece. Adhere piece to the Granny Apple Green card base using Snail Adhesive.
2. Cut a rectangle frame from the pink pattern of Tropical Escape Designer Series Paper by running it through the Big Shot using two nesting Stitched Rectangle Framelits. You can run both dies through at the same time. (Use the 4th and 5th of the larger dies together to make the frame.)
3. Attach the frame to the card using Mini Stampin' Dimensionals.
4. Stamp the Tropical Chic sentiment inside the frame in Shaded Spruce ink.
5. Stamp Tropical Chic images onto Whisper White cardstock: 2 leaves in Granny Apple Green ink and 3 flowers in Blushing Bride ink. Two of the flowers are "stamped off" so they are lighter

6. Die cut those images using the Tropical Thinlits Dies and attach around the frame like in the picture. I used Mini Stampin' Dimensionals for one leaf and the two lighter flowers to make it pop!
7. Add Rhinestone Jewels to the flower centers.
8. Add an Old Olive Linen Thread bow to your card to finish it off.
