Botanical Prints Class Projects—May 2020

Featured Products: All 20 projects are created with the Botanical Prints Product Medley (151301).

What's In The Kit: If you earned the Class Kit it will include the pre-cut cardstock layers and die-cuts you'll need for each card, plus card insides and envelopes. Measurements are given for all layers, including the Botanical Prints Designer Series Paper from the kit that you'll need to cut. All other accents are found in the medley.

What You'll Need To Complete Cards As Shown—You'll need inks in Crushed Curry, Pretty Peacock, Terracotta Tile, Pear Pizzazz, Old Olive, Rich Razzleberry and Memento Tuxedo Black inks to complete the projects as shown. You'll also need Stampin' Blends Markers in Old Olive, Pool Party, Pretty Peacock, Calypso Coral, Petal Pink, Daffodil Delight and Soft Suede. Everything is adhered with SNAIL Adhesive unless indicated. Other tools used: Paper Trimmer, die-cutting machine like the Big Shot, Dimensionals, Tear & Tape, Multipurpose Glue and Glue Dots.

Using These Projects—You are welcome to use these projects for personal use and in your local classes if you're a demonstrator, but please do not share or sell these Projects Sheets online, as they are paid content.

Let The Creativity Begin! I hope these Project Sheets inspire you! You'll have LOTS of products left over from your Botanical Prints Product Medley after you complete these projects!

Thank you for your purchase! Enjoy!
