

Art Gallery Happy Birthday Card

Supplies:

- **Stamp Set** – Art Gallery (154421) or Art Gallery Bundle (156227)
- **Card Stock** – Blushing Bride (131198); Shimmery White (101910); Poppy Parade (119793); Golden Garden Designer Specialty Acetate (154557); Fine Art Floral Designer Series Paper (154558)
- **Stamp Pads** – Poppy Parade (147050); Mossy Meadow (147111)
- **Misc.-** Fine Art 3/8" Ribbon (154561); Banner Triple Punch (138292); Layering Circles Dies (151770); Floral Gallery Dies (154316); Stampin' Cut & Emboss Machine (149653); Stampin' Seal (152813); Mini Glue Dots (103683); Stampin' Dimensionals (104430)

Measurements:

- Blushing Bride: 8-1/2" x 5-1/2" score at 4-1/4"
- Shimmery White: 4" x 5-1/4" and 3-1/4" x 3-1/4" and 3" x 3/4"
- Poppy Parade: 4" x 1"
- Golden Garden Designer Specialty Acetate: 4" x 1"
- Fine Art Floral Designer Series Paper: 2" x 4"
- Fine Art 3/8" Ribbon: 5"

Instructions:

- Fold card base in half on score line and attach large Shimmery White layer to front of card with Stampin' Seal.
- Use Banner Triple Punch on one end of the Fine Art Floral Designer Series Paper and attach to card front.
- Attach Poppy Parade piece to card front over the banner.
- Use Glue Dots to attach the Golden Garden Designer Specialty Acetate to the Poppy Parade piece. Position the Glue Dots so they will be covered up with the stamped image.
- Use Glue Dots to attach the Fine Art Ribbon to the card front.
- Ink the solid flower image with Poppy Parade ink, stamp off once, then stamp on the square Shimmer White cardstock. Next stamp the detail flower image with Poppy Parade ink directly on over the first stamped image.
- Use Mossy Meadow ink to stamp the stem under the flower, then cut this image out using the largest circle in the Layering Circles Dies and attach to card with Stampin' Dimensionals.
- Stamp the "Happy Birthday" sentiment in Poppy Parade on the remaining piece of Shimmer White and die cut it out with the larger scalloped piece from the Floral Gallery Dies and attach this to card as shown with Stampin' Dimensionals.
