- Basic White: 4" x 5 1/4", 4" x 1 1/2"
- Early Espresso: 4 1/4" x 1 3/4"

Instructions:

1. Score and fold the Basic White Thick card base at 4 1/4" and set aside.
2. **Lightly** temporarily adhere the 4" x 1 1/2" piece of Basic White to the 4" x 5 1/4" card panel. (To remove some of the "stickiness," tap the adhesive several times with your finger.) Place the piece on the card panel.
3. Stamp the Tree image in Early Espresso three times starting in the middle and then the two side images a little lower so the branches don't touch.
4. With the small "grass/ground" stamp, add Old Olive ink to the base of the trees.
5. Remove the Basic White piece and stamp with the large spatter stamp from Gorgeous Leaves in all the ink colors listed above. Be sure to clean the stamp between colors and "stamping off" for a lighter color as desired.
6. Add Stampin' Dimensionals to the back of the Basic White piece and adhere it to the Early Espresso panel.
7. Add the panel to the card aligning the trees as shown.
8. Spatter with Stampin' Write markers (Crushed Curry, Old Olive, Pumpkin Pie).
