## Instructions:

1. Using Soft Seam Foam ink and the "grid" stamp from Natural Textures, stamp off and then randomly stamp this image onto Vanilla piece. Do this several times. You want to stamp off so the stamped image is not too dark.

2. Stamp images from Artistically Inked randomly onto Vanilla piece. Highland Heather ink – flower, Shaded Spruce – leaves, Daffodil Delight – flower center. Make sure some of the stamped images go off the paper.
3. Layer the three Rectangle Stitched Dies onto the stamped piece from step #3 and cut out at the same time. You will end up with 3 different rectangles.
4. Adhere largest piece of Soft Sea Foam onto card base and largest rectangle stamped piece onto Sea Foam layer.
5. Attach layers in each panel together with as shown in photo.
6. Attach the largest panel to the card base with SEAL and the other two panels using Stampin' Dimensionals.
7. Using Highland Heather ink, stamp sentiment onto vanilla scrap and trim using Paper Trimmer. Attach sentiment piece using Mini Stampin' Dimensionals.
8. Adhere 3 Holiday Rhinestones to card front.
